

# Ramayana poem

Many gods held a meeting,  
About mean and selfish Ravana's beating.

Ravana is a man that broke the Dharma,  
The Gods punish him for not filling his Karma.

Vishnu divided him into the mighty three,  
But Rama, Lakshmana and Sita went into the forest of trees.

Rama refused the marriage and cut demon sister,  
Which made Ravana feel like making a disaster.

Ravana kidnapped Sita, forcing her to marry,  
But Rama sent Hanuman with a ring to carry.

To bring Sita back safe was an excessive desire,  
So he was put his tail on fire.

He went back to Rama and told him the location,  
Where he will get ready for a bloody competition,

Monkey army made a bridge toward Ravana's Kingdom,  
They fought for Sita's freedom.

Rama fought Ravana and his brothers with his arrow,  
Which gave them no mellow.

Rama killed them with no fear,  
He cut everyone's ears (yay!!)

Rama had accomplished his life's Dharma,  
Therefore, he filled his Karma.

Rama and Sita was safe in his Kingdom now,  
Everyone in the town bow,

He was a official king,  
How much blessing would he bring?

This is a epic in Hindu's history,  
It is an wonderful story,  
with a lot of discovery.

This is Vishnu the god of preserving. she had agreed to dive her atman into 3 parts and be born as 3 humans, Rama, Brata and Lakashama. Their goal is to kill Ravana.
